

Ss. Constantine & Helen Preschool

2747 Riva Road, Annapolis, MD 21401 · 410.573.2078 · office@sschschool.org · www.sschschool.org

Dear Parents,

Our preschool fundraiser is finally here!!! The Preschool board is excited to launch this wonderful event to fund our preschool with more educational needs for our students. Please share this flyer with your family, friends and co-workers! You can also order online on our school website. www.sschschool.org. Go directly to the Resource Center tab at the top of our site. We have a secure site for your convenience.

These delicious coffee cakes can be frozen up to one year, come in 14 different flavors, and will be delivered mid-march. I will kindly collect your completed order form and payment on Thursday, February 28. Please feel free to call me with any concerns or question you might have. The cakes are \$18. They won't disappoint! Delicious and moist! Put them in your freezer until Easter to enjoy with your family and children. We are very excited and will keep you posted on our success with this fundraiser! We will be setting up a booth after Liturgy on Sundays for our parishioners. Any suggestions are welcome to help sell our cakes for our preschool.

Please print your child's name in LARGE LETTERS on the top of the order form so I can gather your order together once the cakes are delivered. We will have the school board present to distribute your orders at school pickup time in bags for easy transport, along with a copy of your order form. We will make the process easy for you and your customers.

Thank you so much for your help and support!

Marina McNamara
