2021/2022

Early Registration is Open!

We are now accepting applications for the 2021/2022 school year! As in previous years, an incentive program is in place. If you register your child by **April 15, 2021**, then we will waive the registration fee (\$85 for new families, \$35 for returning students or siblings). The \$50 supply fee will still be required, however.

Help Us Make this Spring Fantastic!

SSCH is looking for at least one room parent per class to help us (virtually) plan festivities for the kiddies. Unfortunately, Covid precautions prevent us from having school-wide functions. Festivities will be held within each classroom this year.

Substitutes

If you are interested in becoming a paid substitute at our school, please contact Ms. Emily.
